

Whakaterere Ki Te Mahi

Accelerator to Employment

CC Training Academy are running a five-day training programme to assist jobseekers with key skills and experience to enter work within the construction industry, while ensuring they are safe onsite. This can also be a starting point towards achieving future industry recognised qualifications and apprenticeships.

The Training will include a mix of theory and practical learning:

- Infrastructure skills workshop
- Asbestos Awareness Course - Tailored to the Construction Industry (US#30596)
- Working at Heights (Employ height safety equipment) (US#25045), (Safety Systems) (US#15757), and (Harness) (US#23229)
- Elevated Work Platform theory (US#23966) and Scissor Lift (US#23960) and Self-Propelled Boom Lift (US 23962)
- First Aid - Provide First Aid (US#6401) and Basic Life Support (US#6402)
- Site Safe Foundation Passport - Building Construction - VR if needed

Seeking participants:

- Looking for full time work in the construction industry
- Good level of fitness and able to do heavy lifting
- Ability to pass drug test
- Can commit to attending the entire training programme
- In receipt of a main benefit or deemed as at risk in the labour market
