

Whakaterere Ki Te Mahi

Accelerator to Employment

Vertical Horizonz are running a five-day training programme to assist jobseekers with key skills and experience to enter work within the construction industry, while ensuring they are safe onsite. This can also be a starting point towards achieving future industry recognised qualifications and apprenticeships.

The Training will include a mix of theoretical and practical learning:

- Working at Heights (Safe Practices) (US#17600), (Safety Systems) (US#15757), (Employ height safety equipment) (US#25045), and (Harness) (US#23229)
- Elevated Work Platform theory (US#23966) and Scissor Lift (US#23960) and Self-Propelled Boom Lift (US#23962)
- Low Level Scaffolding >5 metres (US#9184, US#13016, and US#13053)
- Site Safe Foundation Passport - Building Construction – VR if needed

Seeking participants:

- Looking for full time work in the construction industry
- Good level of fitness and able to do heavy lifting
- Ability to pass drug test
- Can commit to attending the entire training
- In receipt of a main benefit or deemed as at risk in the labour market

Where

North Shore, Auckland

Date / time

Wednesday 24th February –
Tuesday 28th March
